**People:** FISCHER, Fritz, 1908-1999

**Abstract:** The article discusses how World War I is viewed historically as of 2013, with information on the lack of agreement among historians regarding the cause of the war. Topics include censorship, or preemptive historiography, in Germany of its central role in the outbreak of the conflict and the impact on public opinion, the reinterpretation of precipitating events by German historian Fritz Fischer finding that the country had exploited the circumstances to pursue its foreign policy objectives, and continued historical debate regarding responsibility for factors that lead to the war.

### A history of the **First World War** in EXTRAORDINARY OBJECTS.

---

**Source:** [Daily Mail](#). 2/15/2014, p8. 4p.

**Document Type:** Article

**Abstract:** The story of the **First World War** has been told many times, but the Imperial **War** Museum's new book *A History Of The **First World War** In 100 Objects* by John Hughes-Wilson with Nigel Steel offers a fresh approach. Thousands of different artefacts dating back to 1914-18 survive, ranging from the mundane to the extraordinary, from the terrifying to the humorous - and each has its own tale to tell.
